ELIJA Farm CSA will provide, for each of the 16-week harvest period, weekly shares of, on average 10 or more seasonally appropriate vegetable items from mid-June through late-September.

By signing below I commit myself to be a 2021 member of ELIJA Farm CSA. I understand that membership entitles me to a share of ELIJA Farm CSA's vegetables and herbs and/or baked goods from mid-June to late-September, and that I am responsible for picking up my weekly share. I also understand that if I do not pick up my share or make prior/alternative arrangements, that my share will be donated to a person or food pantry in need. All payments for this CSA membership are non-refundable.

ELIJA Farm CSA Program commits to raising its produce with sustainable and environmentally responsible practices. ELIJA Farm uses only Organic Materials Review Institute (OMRI) certified fertilizers and pesticides and exclusively plants certified organic, Non-GMO seeds. CSA members form a partnership with their farmer, sharing in both the bounty and the risks of farming. It is understood that weather, pests, bad luck, etc., may impact the available produce on any given week. I agree to these terms.
